

CURRICULUM VITAE

Personal Details

Name: Matthew Curran
Position: CAD Draughtsman

Qualifications

2005 – 07 National Diploma in Graphic Design
2007 – Present On course to finishing BND National Certificate in Construction.

Key Role Responsibilities

- Produce CAD drawings
- General Office Duties

Experience

Worked on a number of new build projects and alterations ranging from house extensions to schools. The drawing work I have completed include foundation arrangement, reinforcement detailing, Steelwork layout and connection details. Some of the job I have been involved with are:

- Upminster Road – Residential extension above existing retail building.
- St. Johns School – Sports Hall and Teaching block.
- Brooklands College – Foundations for new portal frame.
- Red Lion Pub – Refferbishment on existing pub and new build four story flats attached.
- St. Nicholas School – Sports Hall and Fitness Room.
